

Timbumburi Parents & Citizens Association

Providing resources, facilities, programs & equipment for our children.

Our P&C is an amazing organisation that supports each and every child at our school. The P&C fundraising efforts provide our students with a range of opportunities and enhanced facilities.

Our P&C last year supplied the school with over \$15000 to purchase resources, including computer equipment, readers and other learning materials, updating the school canteen, playground areas, providing bench seating for the playground and subsidising Gymnastics and Operation Art. Over the past few years, the P&C has also run Carols in the Country, Meet & Greet BBQ, Bunnings fundraisers and Election BBQs. Each of these events provides opportunities to raise these much-needed funds for our school, but equally important, a chance to develop a strong school community.

The Timbumburi P&C Committee extend a personal invitation for you and your family to get involved. As well as contributing to your children's education, it just might be fun!

Join the P&C by filling out the form below, you will receive all the P&C meeting notifications and minutes via email, opportunity to help out at fundraising events and be part of building our amazing school to be better and stronger.

P&C meetings are held on the second Monday of each month, during term, from 7pm, at the school.
